## VISITING YOUR LEGISLATORS

When your registration arrives, we will reply with a note of acknowledgement. Included will be the contact information of your legislators. We desire that you call his or her office and make an appointment. This is an important part of the event; spending time with those who represent our areas. This can be a time of introduction, prayer and encouragement.

If this is your first time in calling your legislator, here are some pointers: Introduce yourself to the legislative assistant. Tell them you are a pastor or a constituent from the legislator's district and that you will be in Jefferson City for the Capitol Commission's Pastors'/Partners' Commission to the Capitol (most staff are familiar with Paul Meinsen and the ministry). **Ask for a 10-15 minute appoint-**

**ment after 3pm;** do not ask for a longer time (some of you may have more than one representative and one senator to visit). **Make these arrangements before you come to the capitol.** And always remember there could be a change in plans; you have to be very flexible. Most will desire to meet with you, but something could pop up at the last minute.

PROCLAIMING THE  
 GREATNESS AND GLORY  
 OF GOD IN THE  
 MISSOURI STATE CAPITOL

**Proper Attire**

We ask all participants in our Pastors' Day at the Capitol to be dressed appropriately. For the capitol arena, this means "business attire" -- in other words, "coat & tie". This may sound petty to some, but all we ask is to remember where you will be. One form of showing honor to those we meet is to be properly dressed for them and the occasion.

**A Favor To Ask**

Many of you are already familiar with Capitol Commission and the work here in Jefferson City. We have not sent this invitation to every pastor of every church in every denomination in the state of Missouri—it would not seem to be wise stewardship.

Therefore, we ask that if you plan to come; or if you cannot but still appreciate Capitol Commission Missouri, please invite another pastor to join you for the day. Or please contact us through an email or a phone call to give us contact information of someone you think would be interested.

Thank You!!

**OUR FEATURED SPEAKERS**

Representative Dave Schatz  
 111th District, Sullivan

Pastor Bret Capranica  
 Summit Woods Baptist Church, Lee's Summit

Col. Ron Replogle  
 Superintendent, Missouri Highway Patrol

Dr. Charlie Self  
 Associate Professor of Church History, Assemblies of God Theological Seminary, Springfield

**ONE FINAL NOTE**

It is our desire to be of service to you and the churches of Missouri. Capitol Commission's ministry focus is the capitol community of our state. But the "other side of that coin" is a desire to see churches involved in ministry toward their elected leaders on all levels. Ministry to leaders is not simply the ministry of a para-church organization in the capitol city; it is the mandated ministry of the church.

Therefore, we are available to work with churches in equipping the saints for ministry with our leaders. We would love the opportunity to come and be a part of a local congregation's outreach to their leaders. Contact Paul Meinsen, Capitol Commission Missouri State Director, to set up a plan to work with you and your congregation in reaching out to our leaders.
