The LifeBuilder's Creed

(As published in the bestselling book "Today Matters" by Dr. John C. Maxwell)

*Today is the most important day of my life.
Yesterday with its successes and victories, struggles and failures
is gone forever.
The past is past.
Done. Finished.*

*I cannot re-live it. I cannot go back and change it.
But I will learn from it and improve my Today.*

*Today. This moment. NOW.
It is God's gift to me and it is all that I have.
Tomorrow with all its joys and sorrows, triumphs and troubles isn't here yet.
Indeed, tomorrow may never come.
Therefore, I will not worry about tomorrow.*

*Today is what God has entrusted to me.
It is all that I have. I will do my best in it.
I will demonstrate the best of me in it
- My Character, Giftedness and Abilities -
to my family and friends, clients and associates.
I will identify those things that are most important to do Today
and those things I will do until they are done.
And when this day is done
I will look back with satisfaction at that which I have accomplished.
Then, and only then, will I plan my tomorrow,
Looking to improve upon Today, with God's help.*

Then I shall go to sleep in peace, content.
