Have you heard of the app “Red Alert”? It notifies you every time Hamas fires a rocket, missile or mortar at Israel. Since the fighting began, I receive many notifications daily.

While some of them get through, most are knocked out of the sky by Israel’s “Iron Dome” defense system.

The Bible says that each of us has an enemy. His rockets, missiles and mortars are referred to as “fiery darts” or “flaming darts”. There are some days when the fiery, flaming dart attack seems relentless. On those days, what do you do?

The Bible also says that God has provided for us our own personal “Iron Dome”. It is called “the shield of faith” and with it we can “quench” or “knock out of the sky” every dart sent against us by our enemy.

“In all circumstances take up the shield of faith, with which you can extinguish all the flaming darts of the evil one.” – Ephesians 6:16

Take up your shield of faith today. Strap on all of the armor of God (see Ephesians 6:10-20). Fight your good fight of faith!
