**CAPITOL[®]
COMMISSION**

Virginia Foxx
NC Congresswoman

When I was a State Senator in NC, the Bible Studies and Prayer Breakfasts were extremely important to me and to [other legislators]...I want to commend Capitol Commission for its work in branching out across the United States.

I believe that the Biblical basis and practical wisdom I have seen in Capitol Commission is the kind of ministry that every state capitol, as well as the federal government, need. I want to encourage all believers to support the ministry of Capitol Commission.

CAPITOL COMMISSION'S MINISTRY STRATEGY

We want our political leaders to succeed. Scripture says when we pray for "all in authority over us" we honor God and our land will be blessed.

Capitol Commission is a spiritual resource for our legislators. We proclaim great hope, the very power of God, the good news. We have no political agenda. We demonstrate the love of Jesus by providing Biblical insights and by coming alongside them with comfort and encouragement.

We invite you to partner with us. Your praying and giving will help to make Jesus known to all who work under Capitol domes.

Dr. Brad Harbaugh
National President
Capitol Commission

David Scot
GA Congressman

Capitol Commission is a tremendous asset to our states and our elected officials. We live in challenging times, but their work of leading with humility, acting with integrity, and inspiring grace through faith is critical to moving our communities forward.

Shane LaVigne
CA Lobbyist

It is because of Capitol Commission that I have a life-changing relationship with the Lord. I will be forever grateful.

Our ministry strategy is expressed by three key terms: *Prayer, Presence* and *Proclamation*.

PRAYER

We created a website that makes it easy for you to pray daily for each of your State and National legislative leaders. The website also allows you to share with the leader that you are praying for them.

We pray for all and with any of our political leaders. We also host prayer events in each of our Capitols. Many events are open to the public.

PRESENCE

Now more than ever in our polarized political culture our leaders need comfort and encouragement. We are there giving hope behind the scenes.

We create special opportunities that bring faith leaders together with our legislative leaders.

PROCLAMATION

We boldly present the good news of Jesus' love and forgiveness.

One way we proclaim is through clear, written Bible studies. We provide them to our legislators and their staff weekly during legislative sessions.

We invite you to partner with us in reaching our state and national leaders through prayer, giving and direct participation. Contact us at:
