

"Each time I have been to the Mayor's Prayer Breakfast, I'm reminded of how the Lord brings us all together and guides us to use our strengths to make a difference in our community, no matter what our faith. It is a privilege to be a part of such a faithful event that spreads the message of the Lord to our community.

Guest Speaker - Frank Erb

California State Director, Capitol Commission

Frank Erb is the California State Director for Capitol Commission, a ministry in state capitols across the U.S.. As such, many government leaders throughout the Golden State refer to Frank as their pastor. Each week, Frank leads Bible Studies inside the California State Capitol for State Senators, Assembly Members, Department Chiefs, Sergeants-at-Arms, legislative staff, lobbyists, and others in the Capitol community. He also frequently meets privately with state legislators and other leaders to provide pastoral guidance, encouragement, and prayer.

Frank's ministry has given him a unique window into the personal lives of our elected officials. He shares inside stories from his experience and conversations that help lift the veil surrounding our government and demonstrate how people of faith can best pray for and support those who serve in any leadership role.

Frank loves teaching the Bible, speaking, writing, and coaching leaders of all kinds. Most of all, though, he enjoys spending time with his family, including his wife Valerie, who was recently selected as Teacher of the Year for the Roseville Joint Unified High School District, and their teenage children Hannah and Lucas. You can find Frank online at www.capitolcom.org and on his blog site at www.frankerb.com.
