

WHAT PASTORS AND MINISTRY LEADERS SAY ABOUT CAPITOL COMMISSION™

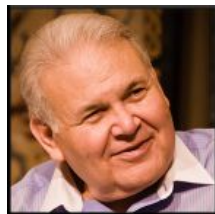

Frank Erb, California State Director
(More endorsements are at www.capitolcom.org)

Dr. John MacArthur, Pastor, Grace Community Church, Sun Valley, CA: (Re National Ministry) *"Scripture tells us to pray for our leaders and those in authority over us. In fact, the Apostle Paul goes even further to say that our prayers should be evangelistic because God our Savior desires all men to be saved and come to the knowledge of the truth. If we are responsible to pray for the salvation and sanctification of our leaders, it follows that we should be engaged in every effort possible to impact them for the gospel. Capitol Commission does just that by placing trained men of God in state capitols to be effective evangelists and edifiers. We at Grace Community Church wholeheartedly endorse this effort."*

Dr. Erwin W. Lutzer, Senior Pastor, The Moody Church, Chicago (Re National Ministry) *"Believing that the Gospel is non-partisan, and needed by all, Capitol Commission has the vision of sharing the good news with all who are in government, no matter their political affiliation. Great idea! And Biblical!"*

Luis Palau, International Evangelist: *"I have observed the ministry and the serious commitment that Frank Erb as the California State Director for Capitol Commission has exercised in Sacramento, Capital of California. I have observed his relationship with State Senators and Assembly Members. I have noticed the respect he has gained from the political class of California. I have prayed with Frank Erb for the life responsibilities and burdens that these politicians carry. And I believe that the biblical bases and the practical wisdom that Frank Erb has practiced is the kind of ministry that every state capitol as well as the federal government politicians need in the USA. I pray that God will continue to uphold and use the ministry of Capitol Commission under Frank Erb in California. I also want to encourage all believers who care for the state of the nation for the direction of the political dialogue national and state-wide, to support Frank Erb's personal ministry as well as the ministry of Capitol Commission."*

Dr. G. Henry Wells, Pastor Emeritus, Fair Oaks Presbyterian Church: *"The best thing happening at our State Capitol these days is Frank Erb with Capitol Commission. Our legislators need the spiritual leadership of Jesus Christ to get us through the most critical time in our state's history. Frank's winsome way demonstrates to both sides of the aisle that Jesus loves them and offers through prayer a greater power than themselves."*

Francis Anfuso, Co-Senior Pastor, The Rock of Roseville (son of a U.S. Congressman): *"I so appreciate the ministry of Pastor Frank Erb in encouraging State legislators and staff in their God-given stewardships to represent Him well. I visited the Capitol and was amazed all day long at the impact he is having on so many. Everywhere we went he encouraged people. He is known, respected and received. Please keep Pastor Frank and our 120 legislators in the Assembly and Senate in your prayers. We so need a move of God in the church, culture, and government."*
