**A<sup>bout</sup>** –The End of Entropy

**B<sup>est Verse</sup>** – Matthew 25:46, “[The accursed] will go away into eternal punishment, but the righteous into eternal life.” Since the Fall of humans, our existence follows on the “arrow of time.” *Entropy* is the Law, a constant process whereby our material reality is consumed, winding down. It is the way of the world, no doubt expedited by the work of the devil and demons who constantly take advantage of our sinful state, eating away and devouring the souls of those who refuse the gift that the Savior of the world offers. Special privilege is given to Jesus’ brothers and sisters who have received Him. By faith through love,<sup>Gal5:6</sup> they can invest ahead their time and talents and treasures by faith in Heaven’s Law of *Eternal* life so that they constantly gain—forever—in the future reality of Heaven. Satanic and worldly things prey upon flesh and devour. By God’s grace and Spirit, children of God pray forwardly in faith and spiritual desire for His love. Take and it will be taken. But genuine giving gives and lives forever.

**C<sup>ommitment</sup>** – Eternal Father, I don’t want to waste my time on Earth. I’m grateful for Your love and my life to invest in it. Spirit of God produce Your fruit through me for others: Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.
